

*...making
quite an
impression!*

Our aim at **quantum printing** is simple, **customer satisfaction** - to give you the best service and quality available. We design your printing individually so it works in whatever market your business trades.

We have been operating in the printing and graphic design business for over 10 years, therefore we know how to get you the most for your printing money. Smart investment in equipment along with skilful planning has created our business success story.

Our factory is equipped with Heidelberg presses, which are fed with the newest computer to plate (CTP) printing plates ensuring the highest quality printing. Our bindery and finishing department is a full in-house service with folding, guillotining, drilling, punching, wrapping, in-line collating, booklet making, laminating and mounting machines.

Our products & services include:

- One to full colour printing
- Offset printing
